## ZSX<sup>125</sup>

The ZX<sup>S</sup> is Lexmoto's Flagship model. Taking aim at it's Japanese counterparts, the model aims to deliver the best quality that China has to offer to exceed it's rivals despite being a significantly lower price. The ZX<sup>S</sup> displays sharp styling and a big road presence whilst providing performance and handling to prove its appeal isn't only skin deep. Incorporating a digital display and convenient storage that no other brand can replicate the ZX<sup>S</sup> includes many features that no other brand can come close to replicating.
